SURPLUS LIST

TO THE TRADE ONLY

We book all Orders with the understanding that same shall be Void should injury befall the stock from Flood, Drought, Fire, Frost or other causes beyond control.

We exercise the greatest care to keep our varieties pure and true to name, and hold ourselves in readiness at all times to replace, on proper proof, all stock that may prove otherwise, or refund the amount paid. But it is mutually agreed between the purchaser and ourselves that we shall not at any time be liable for any amount greater than the original price.

We are giving herein a List of the leading varieties and grades we can still supply in Ornamentals.

As this List is not complete, we can often supply varieties and grades not included here, so if you do not find what you are in need of, please write us.
